## CITIZENSHIP SCREENING SESSIONS & CLINICS

Hosted by **Councilman Kenyatta Johnson**

The Philadelphia Bar Association, with the support of the City of Philadelphia and several non-profit legal aid organizations, has formed Take Action Philly (TAP), an initiative uniting lawyers, government, community organizations and residents to protect and assist Philadelphia residents. TAP has put together a series of **FREE** Citizenship Screenings & Clinics to assist in the completion of your Citizenship Process.

If you are interested in completing your pathway to citizenship, then ask yourself the following questions:

- Am I over 18?
- Have I had a Green Card for at least 5 years?
- Have I lived in the Philadelphia area for the last 3 months?
- Am I able to read, write and speak basic English?

If you answered **YES** to the above questions then you could be eligible for TAP's **FREE** Citizenship Screenings and Clinics. Please call **215-238-6301** and leave a message as to your availability to attend any of the following screening clinics:
