

## What is NAC Philly?

Philadelphia was chosen by a national group called the New Americans Campaign (NAC) to be a site in their program to help expand naturalization across the country. Led by the Immigrant Legal Resource Center, the New Americans Campaign is a diverse nonpartisan national network of respected immigration organizations, legal services providers, faith-based organizations, immigrant rights groups, foundations and community leaders. The Campaign transforms the way aspiring citizens navigate the path to becoming new Americans. It is committed to connecting lawful permanent residents (LPRs) to trusted legal assistance and critical information that simplifies the naturalization process.

NAC has chosen to fund five non-profit organizations - HIAS PA as site leader, Catholic Social Services, Esperanza Immigration Legal Services, the Southeast Asian Mutual Assistance Associations Commission (SEAMAAC), the African Cultural Alliance of North America (ACANA) and the Welcoming Center – to help expand naturalization and help Philadelphia’s immigrant population become our City’s newest citizens. In order to accomplish this goal, we are coordinating efforts across the city and enlisting help from all sectors.
