The Philadelphia Bar Association's Real Property Section assists members in the practice of real property law by serving as an ongoing resource in a variety of areas. The Section plans and sponsors programs and workshops and produces materials on substantive and procedural aspects of the law. The Section also suggests improvements in applicable law practices and procedures and cooperates with judicial, legislative and administrative bodies toward that end. From time to time, the Section also recommends policies to the Association's Board of Governors, usually in the form of proposed resolution for the Board to adopt. Annual Section dues are very affordable and all members of the Section have an opportunity to participate in the work of the Section's many committees which cover all aspects of real estate practice.

If you would like to join the Real Property Section, please complete the adjacent form and return it to the Bar Association today! Or, join securely online with a credit card at www.philadelphiabar.org.
